Ready to kick it up a notch?

This clinic is all about my advanced students who desire the chance to work intensely with my Training Program.

Training should be about camaraderie and **HAVING FUN!**

You know I will work your bum off...but fun is also part of the equation!
We are all about that!

Join Brenda at her training facility, in Midland, Michigan to work closely and intensely with your dog and other students who are ready for the next step

Many of you have expressed interest in Concentrating more Intensely with Work that we have already begun...

- More scrutiny of the **Golden Rules** for training
- Take your behaviours **Up a Notch!**
- This is an open-ended Clinic. It's all about **YOU** and **specifics** that you wish to **improve upon** and **understand better**.
- By now you get that **Space Games** are where it's at! How can you integrate these concepts into daily living?

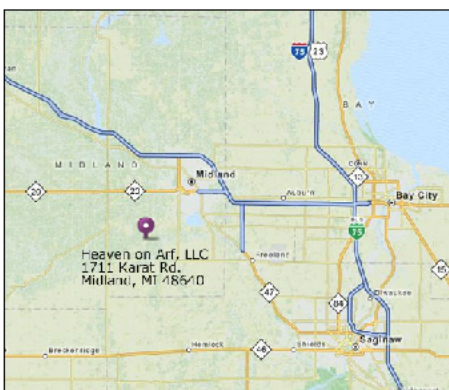

We will expand on what you learned in Get Connected III and take it even further. Advancing your dog to become a **fully engaged partner** - a dog that is so involved and secure in the bond that you are **feeling the Love of working together**. Isn't that why we all got a dog in **the first place?**

It's the Immersion Clinic, so we will be writing the curriculum as we go along.
Bring your ideas - better yet, get with me ahead of time and we can discuss your great ideas!

We will be working each day from at least 9AM to 4PM. We may certainly decide to work longer days...Maybe we can decide to take a 2 hour lunch and work a bit later? This group will be helping to work out these details as we Kick It Up A Notch!

If you already sent a Deposit, note it on your registration form, along with the amount and the date you paid it.
