

Are you Doing Nosework, SAR,  
Tracking, Trailing or just having  
Fun With Scent?

# Understanding Scent

Saturday & Sunday June 20 & 21, 2020

When watching dogs do scent work it has always seemed to me to be  
absolutely amazing and magical.

While scent, for me, will always have those qualities,  
there is Science in Scent, too. The better you  
understand scent....

- ...the more effective you will be when setting up  
Scent Problems for your dog to solve.

- 

- ...the more you will be able to problem  
solve when your training gets "stuck"

- 

- ...the more effective you can be during  
training

*You will learn  
about...*

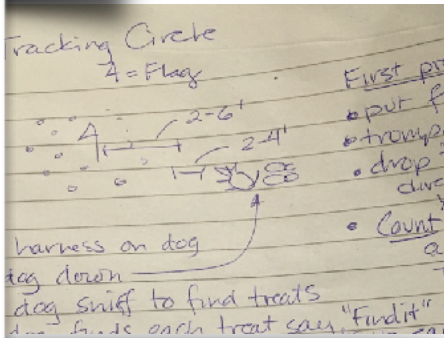

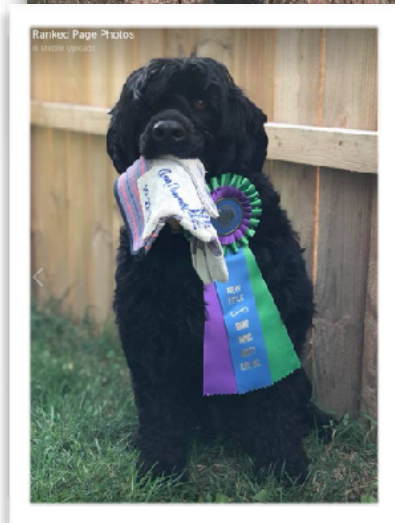

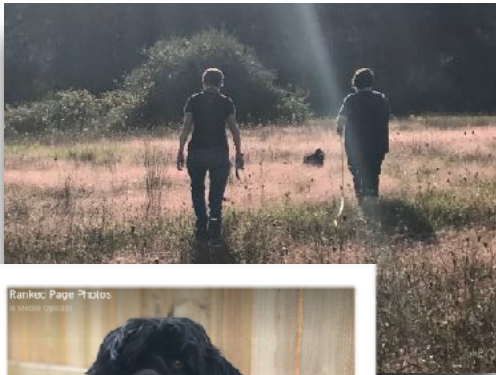

- Are you curious about the **magic** of scent? It's Science, too!
- **You Need Indications** - Everything There is to Know About Indications
- Obedience Scent Articles - if requested
- Scent Containers & Building Them
- Training for **Nosework, Tracking, SAR** & Just For Fun
