Relationships are built on commitment – so You will Learn About...

- What are the **Golden Rules** for training?
- The **4 Quadrants** of Behaviour Tools. Which box should I be in?
- How do I make sure my training is **kind**?

- Stand By - **Engagement and Commitment** voluntarily.

- Teaching **Environmentally Cued** Behaviours.

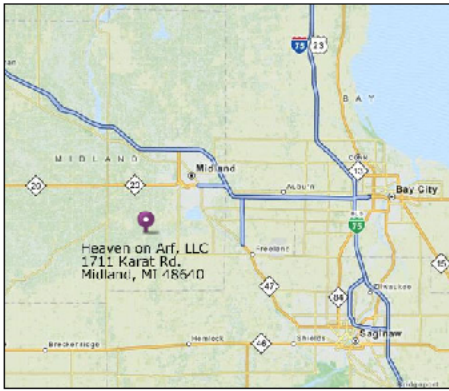

- Why isn't R+ working like thought it would?

- What are **Space Games**?
And why should I care?

We will expand on what you learned in Get Connected I and take it even further. Teaching your dog to become a **fully engaged partner** - a dog that is so involved and secure in the bond that you are **feeling the glow and flow of working together**.
